LiftMaster.

POWERED BY myQ.

Secure View™ Smart Garage Opener with Built-in Camera, Integrated Dual LED Lighting System, Battery Backup, Ultra-Quiet Belt Drive®

84504R

Popular features

Built-in Camera
- 130^0 wide angle camera that lets you monitor the garage through a live feed recorded event through the myQ® app
- Receive alerts and recordings in 1080p full HD video when motion is detected
- High Dynamic Range and Night Vision for greater image quality in high/low light environments
- Garage Climate Performance includes extreme climate operating range of -13 to 131^0 F

Smartphone Control
Control, secure and monitor the garage with the myQ app-anytime, from anywhere

Battery Backup
Lets you get in and out when the power is down

2-way communication
Hear what's happening in the garage. Includes adjustable volume and ability to enable or disable the mic through the myQ app

Quiet operation
An ultra-quiet DC motor and strong belt drive system ensures for comfortable living spaces near the garage

myQ Diagnostics Compatible
myQ Diagnostics in the myQ app provides real-time insights for your garage door via the Health Report. You will be sent alerts if an issue arises and you will be quickly connected to professional services if needed
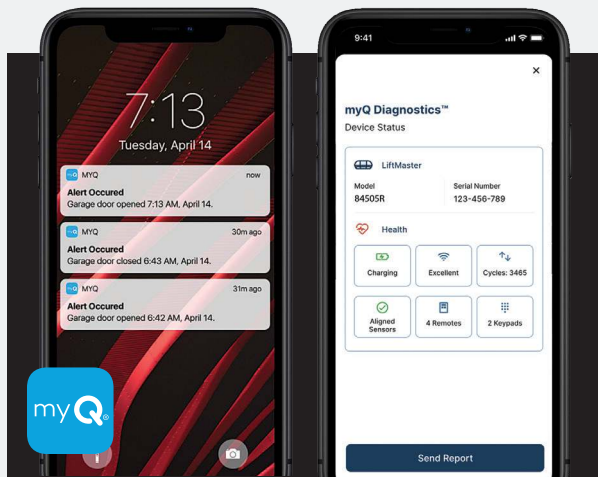

Works with Amazon Key and Walmart+InHome
For convenient and secure In-Garage Delivery of Amazon and Walmart packages and groceries – watch deliveries happen in real-time
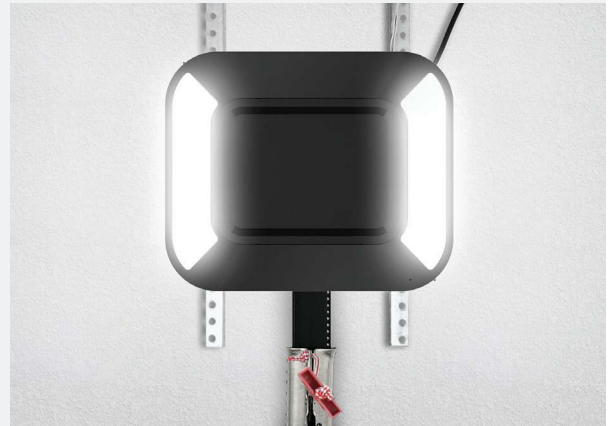

Do more with myQ

Use the myQ app to control, secure and monitor your garage and conveniently share and manage access to your home without sharing passcodes or keys. Also, take the hassle out of service repair and easily connect to a trusted Dealer through the myQ app.

Integrated dual LED lighting system

Increase the functionality of the garage and never change a garage light bulb again. Dual lighting system provides 1,500 lumens of long-lasting LED light that brightens high traffic areas of the garage.

In the box

893LM

3-Buttom Remote Control
Operates up to 3 openers or myQ light accessories. Safeguards your home with Security+ 2.0.

882LMW

Multi-Function Control Panel®
Operates the garage door opener and lights from inside the garage.

485LM

Garage Door Opener Battery
Integrated battery backup allows you to open and close your door even when the ower is out.
